CLIENT TESTIMONIAL ■

"My husband and I used Wild Thyme for our wedding in May. They made it the most AMAZING day! I cannot thank them enough for all they did to help put together our big day. Not only is their food absolutely phenomenal but I have also never experienced customer service like this. They made sure everything ran smoothly so I didn't have to worry about a thing. I will use them without hesitation, and would recommend them to anyone who is looking to have an event catered. They were so great, I wouldn't use anyone else."
